FLORIDA SHERIFFS YOUTH RANCHES

Founded by the Florida Sheriffs Association as a nonprofit, residential childcare agency in 1957, the Youth Ranches' statewide network of care has served thousands of Florida's needy and deserving children. Dedicated to the prevention of juvenile delinquency and the development of lawful, productive citizens, the Youth Ranches include four residential childcare campuses and two camps helping to restore hope, fulfill dreams, and prepare boys and girls for the future. Additionally, community-based services provide intensive family counseling, family life education, foster care, and other services to as many of Florida's troubled and at-risk children as possible.

OUR VALUES ARE:

CHILDREN FIRST!

INTEGRITY - Doing the right thing for the right reasons at the right time.

QUALITY - Doing nothing less than our best, every day in every way.

STEWARDSHIP - Taking responsibility for the assets that have been provided for the benefit of the children through the gifts and sacrifices of others.

CHARACTER - Building successful youth and staff through the development of positive character traits.
