

Pinellas County Sheriff's Office

"Leading The Way For A Safer Pinellas"

RESEARCH SPECIALIST SUPERVISOR

JOB CODE: 22005	PAY GRADE: 17	PAY RANGE: \$46,800 - \$74,880
------------------------	----------------------	---------------------------------------

GENERAL DESCRIPTION

Under the direction of the Sergeant in the Strategic Planning Bureau, performs supervisory administrative and technical work while supervising the research specialists assigned to the Bureau. The Research Specialist Supervisor will monitor the activities of the Research Specialists, provide guidance and direction to the Specialists, review reports and other forms of work product completed by the Specialists, and other tasks as assigned by the Sergeant. The work also includes developing and maintaining proficiency in administrative responsibilities associated with supervision, including but not limited to, personnel evaluations, review of administrative documentation, scheduling, and corrective action when necessary. Incumbent interacts with all levels of management, other organizations, and the public to conduct thorough research and to prepare accurate and extensive reports based on the information requested. Due to the varied and complex nature of projects and programs initiated or assigned, the incumbent is required to work with a high degree of accuracy and independent judgment. Work is reviewed through a thorough examination of work product, observation, and results obtained.

SUPERVISES OTHERS: Yes

ESSENTIAL FUNCTIONS AND RESPONSIBILITIES

- Review the work product of the Research Specialists for proper detail, accuracy, and professional appearance, making corrections where necessary;
- Provides supervision, guidance, training, and motivation to assigned personnel, evaluates performance, and initiates corrective action as needed;
