

Pinellas County Sheriff's Office

"Leading The Way For A Safer Pinellas"

ASSISTANT FORENSIC SCIENCE SHIFT SUPERVISOR

JOB CODE: 30048	PAY GRADE: 17	PAY RANGE: \$49,650 - \$79,439
-----------------	---------------	--------------------------------

GENERAL DESCRIPTION

Under general supervision of the Forensic Science Supervisor or designee, performs administrative and technical work while supervising the Forensic Science Specialists on an assigned shift. Duties are accomplished with a degree of independence and at a level of responsibility where the member must exercise good judgment and individual initiative in the performance of assigned duties. A variety of clerical, statistical, and equipment maintenance tasks are performed in connection with the position. Work is reviewed through observation of quality and quantity of results obtained, oral and written reports, discussions and inspections. **Shift work is required and subject to call-out 24 hours a day.**

A member in this job classification spends at least 65 percent of their time performing duties that involve the collection examination, documentation, collection, preservation, preparation or analysis of human tissues or fluids or physical evidence having potential biological, chemical or radiological hazard or contamination, or uses chemicals, processes, or materials that may have carcinogenic or health-damaging properties in the analysis of such evidence in accordance with F.S. 121.0515.

SUPERVISES OTHERS: Yes
