

# Pinellas County Sheriff's Office

*"Leading The Way For A Safer Pinellas"*

## HEALTH SERVICES ADMINISTRATOR

**JOB CODE: 27200**

**PAY GRADE: 33209**

**SALARY RANGE: \$95,481 - \$137,917**

### GENERAL DESCRIPTION

Under the general supervision of the Commander of the Support and Health Services Bureau, the main focus of this position is accountability for the strategic, operational, and/or management outcomes for health care services. The Health Services Administrator, or designated responsible health authority (RHA), arranges for all levels of health care and assures quality, accessible and timely health services for inmates. The position implements, monitors and manages the Inmate Healthcare activities, and all required services; is familiar with a variety of the field concepts, practices, and procedures; relies on extensive experience and judgment to plan and accomplish goals. Work is reviewed through observation and results obtained. **Provides 24-hour on-call services as required.**

**SUPERVISES OTHERS:** Yes

### ESSENTIAL FUNCTIONS AND RESPONSIBILITIES

- Provide direct supervisory responsibilities for the entire Medical Division with the exception of clinical treatment plans for the inmate population;
- Reviews division operations to ensure compliance with established standards and all applicable national and state health care standards, laws, regulations, codes, and rules for correctional facilities;
- Monitors fiscal resources, including budget preparation, office/medical supplies, contract services, etc.; makes recommendations for decreasing costs; provides necessary information to the Medical Director for review/action;
- Directs and monitors processes to assure compliance with all healthcare related accreditation standards; notifies appropriate personnel of any deviations from standards.
- Reviews, revises, and annually approves site specific healthcare policies and procedures, job descriptions, staffing analysis, healthcare training for corrections and health care personnel, orientation lesson plans, emergency response plans, patient and staff safety systems, nursing assessment protocols, etc.;
- Develops mechanisms to assure the appropriate type and scope of service is provided and properly monitored; coordinates care among multidisciplinary health care providers;

# Pinellas County Sheriff's Office

*"Leading The Way For A Safer Pinellas"*

- Monitors the implementation and effectiveness of health services policies, procedures, and programs; ensures that all patients receive quality care in keeping with community standard;
- Directs, monitors and maintains a quality management and cost containment program; recommending methods for improving operation, efficiency, workload, and cost effectiveness;
- Monitors all potential inmate catastrophic illnesses and the use of available resources to maintain costs; monitors the use of pharmaceutical, diagnostic and contract service costs;
- Assists in recruiting and obtaining written agreements with contracted professional providers; monitors the services rendered by contract providers;
- Reviews collected data, performs analysis and trending from monthly statistical reports along with explanations and recommendations;
- Monitors the recruitment, retention, orientation, and performance of all health services personnel; ensures appropriate licensure and certification for all division personnel;
- Develops and monitors employee health training and new member orientation;
- Attends health and administrative meetings as required; ensures the proper flow of relevant information to detention and health services personnel; schedules and chairs various meetings e.g. Practitioners, Mental Health, Pharmacy & Therapeutics, Medical Audit Committee, Continuous Quality Improvement, as well as impromptu problem oriented brainstorming sessions;
- Conducts performance evaluations, remedial training, and discipline when necessary and appropriate;
- Reviews and improves operational procedures to mitigate risk and program inefficiencies;
- Reviews and approves payroll, overtime, uniform disbursement and healthcare related invoices;
- Works closely with the Medical Director and Department of Detention and Corrections staff to assure the goals of the organization are met
- Participates in Sheriff's Office recruitment and community relations activities as directed.

This position is considered essential and, in the event of an emergency or natural disaster, will be required to report to work.

This list is not intended to be all-inclusive and you may not be responsible for every item listed. The employer reserves the right to assign additional functions and responsibilities as necessary.

## QUALIFICATIONS

- Graduation from an accredited college or university with a Bachelor's Degree in a health-related field; Master's Degree in Business or health-related field preferred
- Certified Correctional Health Professional (CCHP)
- CPR or ACLS certification
- Six (6) years' experience managing staff and processes in a correctional healthcare environment
- Or equivalent combination of education and experience
- Must possess a valid Florida driver's license
- Consideration for this position requires a credit check

## KNOWLEDGE, SKILLS, AND ABILITIES

- Knowledge, skill, and experience in management as required for the day to day effective management of the fiscal, human resource, and quality of service needs for the division
- Knowledge of budget development, preparation and maintenance as applied for daily operations and assisting with meeting organizational fiscal responsibilities
- Communication skills, both verbal and in writing, as necessary for successful performance of job duties
- Ability to compile, organize, and analyze data, research, and prepare reports and assist with day to day monitoring/planning of strategic/operational goals and objectives
